

Merry Christmas from the Gullman's

2000 HAS BEEN A GREAT YEAR FOR US. WE SPENT ALMOST 1/4 OF IT IN EUROPE.
HERE ARE A FEW HIGHLIGHTS.

Rebecca smelling the flowers of the Cornwall gardens.

Our trip spanned North to Sweden, East to Croatia, South to Morocco and West to Portugal. We saw lots in between!

We started our trip in England with the purchase of a motor home.
We visited innumerable castles and gardens.

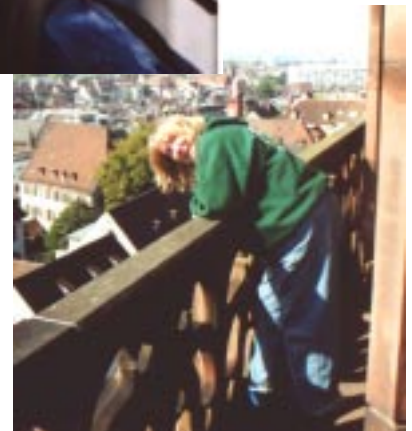

The HMS Victory was a real treat for the sailors in the family.

Julie enjoyed the pigeons in Venice.

Lisa even climbed to the top of the bell tower of the cathedral in Basel, Switzerland

We visited many Bamboo Nurseries in Europe. Rachel sure liked the Tortoise shell bamboo at Eberts in Italy.

Wolfgang showed us around Eberts Bamboo Nursery in Baden-Baden Germany

The 150 year old La Bambouseraie is one of the oldest Bamboo Nurseries. Jonathan enjoyed the large timber bamboo.

A guided tour by Simon Crouzet of La Bambouseraie in the south of France.

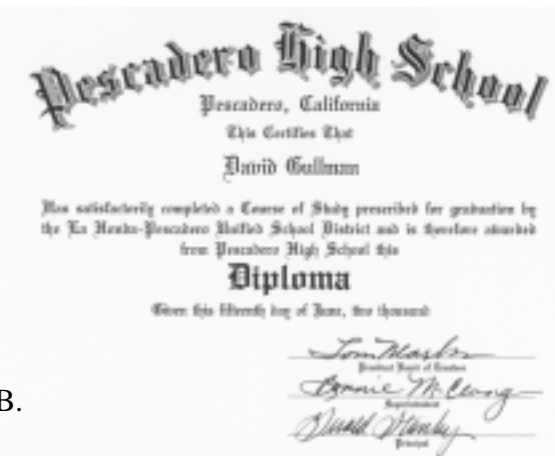

Daniel found his only hamburger of the trip in Croatia!

Grandma Gullman came to visit for 10 days. Rachel learned to ride camels in Morocco.

David Graduated and works at MSB. Unfortunately he missed the big trip.

We hope all of you have a great Christmas and New Year. We are very happy living in Santa Cruz now. If you want to see whats up, check out our web sites at www.bamboogiant.com and www.msbtch.com. We are working on a site at gullman.com but nothing yet. Best to continue to mail to Rt 3 Box 30, La Honda, CA 94020 but our new home phone is 831-687-0400. Look forward to hearing from you.

Love from Larry, Lisa, David, Rachel, Jonathan, Julie, Rebecca and Daniel Gullman
